Having resurrected our Girl of the Year competition – which was retired because we hardly got any votes the last time we ran it – we got a stack of votes, a neck-and-neck race, and a last gasp victory. Turn to page 42 for the full story, and enjoy brand new photos of the girl you voted for. And then turn your mind to the other amazing girls here, some of whom may be troubling the scorers when we reach the end of this year. It never stops... ♣

Dear Club,
I'm a cute blonde who's very highly sexed, and I love the idea of getting fucked by strangers in unusual circumstances. One hot day last summer I was walking down the street when a couple of blokes on a construction site wolf whistled me. Normally I ignore stuff like that, but these fellas looked really hot in just their shorts, boots and hard hats, their tanned muscular bodies glistening with sweat. So I stopped to face them, and came right out with, "What? You guys need help handling your tools?"

Both of the construction workers laughed, and one of them said, "Hey, beautiful! Me and my friend here were wondering if your pussy is as beautiful as the rest of you."

Without pausing for breath, I rose to the challenge, walked over to them and said, "There's only one way to find out. Anywhere around here you can take me to get better acquainted?" They wasted no time leading me into their site office. Once inside, I sat on the desk and opened my legs, showing them that I wasn't wearing any panties under my dress. "So," I said, "what do you think?"

The one called Rich said, "Now that's what I call a beautiful pussy," and got down on his knees to start licking it adoringly. While eating me out, he pulled his monumental cock out of his shorts, and started slowly wanking himself to full hardness. I pulled my dress off over my head so his mate Mark could feel my firm tits. He started stroking them, and sucked on a nipple as I unzipped his fly, and out sprang his massive dick. I swiftly crammed the whole length in my mouth, and fondled his heavy balls as I deep-throated him. He was rock-hard already, and groaning loudly as I sucked hungrily up and down the length of his veiny shaft.

I shifted position so I could ride Rich's dick for a while. That horny bastard was desperate to fuck my wet cunt. So I obliged by straddling him as he sat on the desk, and lowered myself slowly onto his thick man-meat.

"You can ride my cock like that all day long," he murmured as I bounced rhythmically up and down on it, rubbing my tits in his face. The next thing I knew, the other bloke's tongue was tickling my arsehole. I was busy grinding down on his friend's prick when I felt Mark's amazing dick pressing against my tightest hole. I obliged by pushing out and raising my arse to accommodate the beast. He slid his helmet into my bum slowly at first, considerately feeding his shaft to me by degrees. It felt so good to be that full of cock!

Soon both of them were picking up the pace as we all got more excited, rapidly pounding me to a head-spinning orgasm. My cunt juice was running down Rich's shaft when I pulled off him shakily, and lay down on the desk to give both men full access to my naked body.

Now it was Mark's turn to fuck my slippery snatch, which was still throbbing from his mate's meaty prodding! With my legs wrapped around his midriff, my aching pussy eagerly accommodated every glorious inch of him. As he teased me by stopping to just roll the massive head of his cock around my cunt

GENERAL ERECTION!

Dear Club,
I'm with your editor on the beautiful Tiffany (Club 41/2), as she got my vote for girl of the year. I assume she hasn't won, but if she'd been in the magazine a bit more, I reckon she'd have had a chance. I don't know what it is about her that really gets me – the legs, that pert bum, those suckable tits, that pretty face, that cascading hair – but it works. I'm in love, and I'm voting for her ten times next year!
Duncan, Plumstead.

Well, she certainly put up a good show in the voting, Duncan (see page 42), but it just wasn't her year. Hopefully we'll see lots more of her in 2012 – especially of that incredible bum you mentioned. Of course, if she wanted to visit us and be very, very nice to us, she could shoot up the charts next year. Yes, we're open to bribes, no shame in our game…

TIFFANY'S BREAKFAST!

Dear Club,
Good to see your list of Top 5 Celebrity Playmates in Club (41/2) – in fact, I'd forgotten all about the lovely Jenny McCarthy – but you missed out my favourite. Tiffany, who had a hit with *I Think We're Alone Now* in the 80's, stripped off for them a few years back. Dreadful song, obviously, but what a woman she's become! Of course, it'd be better to see her in *Club* – not enough arse shots in airbrushed *Playboy*!
Iain, Peterborough

We've just Googled those pictures, Iain, and we see what you mean. Wow! Unfortunately, we reckon she's a bit outside of our budget range, so we'll stick with the stars of tomorrow in Club – and lots more arse shots!

lips, before thrusting deep and hard, I took the Rich's equally fat tool in my mouth. It was still dripping with the sticky juice from my fanny, and his face was a picture as I licked his knob clean.

I could tell he was dying to shoot his load in my mouth, but at the same time didn't want it to stop. I felt the same way. I felt sure we must have been steaming up the windows in that office! All we could hear was the wet rhythmic slapping sound of me getting a good hard fucking, and the moans and groans of all three of us. I was having such a great time being spit-roasted, I didn't even care if anyone walked in on us. If they had, they'd have seen two sweaty construction workers shooting thick jets of cock cream over my naked body. How lucky can a girl get in one day?

KISS THE RING! ♣

Taylor's box is full of jewels...

Taylor's a girl who loves her jewellery, but that doesn't mean she's going to get vagazzled any time soon...

"Oh god, that shit is ridiculous," the Californian honey tells us, "some girls just have no class."

Don't sit on the fence, Taylor.

"A pussy is a pussy – it's sexy and alluring to men without having to stick on some bullshit cheap crystals. I mean, I love cock. What I don't want is some guy to put decorations all around his shaft. That shit would be tacky."

So what about cockrings?

"Oh, that's different. If it keeps a cock harder, I'm all for it..." ♣

Club's Rough Guide

Spring has sprung and the sporting world has come to life! When he's not dancing amongst the daffodils and frolicking with the bunny rabbits, Matt Loxham will mostly be watching the following events...

The Cheltenham Gold Cup
March 16th

Out of all the big horse races on the National Hunt calendar, only the Grand National can lay claim to creating as much excitement and fervour as the Cheltenham Gold Cup. When it comes to quality, however, there's only one winner.

Roared on by a famously passionate crowd of 65,000 punters – many of them Irish, many of them drunk – the Gold Cup sees a crack field of the best hurdlers in the business tackle 22 fences over a gruelling trip of three miles two and a half furlongs in a bid to win prize money of around £500,000.

While the Grand National is something of a circus, the Cheltenham showpiece is one of the most prestigious and well-respected races in the world, a genuine test of equine brilliance that has borne four-legged legends such as five-time winner Golden Miller, hat-trick hero Arkle and, more recently, Desert Orchid and Best Mate. The race has also thrown up some classic tussles and hard fought rivalries over the years, and the 2012 running promises yet another memorable battle on the track.

In the red corner we have Long Run, a horse who romped home by seven lengths to win the Gold Cup last year, trouncing a field including the likes of Denman and the legendary Kauto Star. In the blue corner we have... well, we have the legendary Kauto Star, a supremely talented old stager who looked well past his best when he was thrashed by Long Run, but who has since launched a miraculous comeback and beaten his erstwhile rival on not one but two occasions, the most recent being on Boxing Day in The King George VI Chase. It's a bit like Rocky

with horses, but can Kauto Star muster up another power-packed performance to win a third Gold Cup? Only three twelve-year olds have prevailed in the history of the race, but this is no ordinary twelve-year old.

The scene is set for a fascinating showdown between the two main protagonists, although there'll be a raft of other horses trying to get into the mix, headed up by an exciting young galloping grey going by the name of Grand Crus. A raw talent yet unbeaten in his last three outings, Grand Crus presents something of a conundrum for punters,

especially considering that inexperienced runners have a poor record in the Gold Cup. For the army of Guinness-swillers, Ireland's challenge will be fronted by China Rock, who led much of last year's race before having to be pulled-up injured. Most fans, however, will be cheering themselves hoarse for Kauto Star, but will they be raising a glass at the finish?

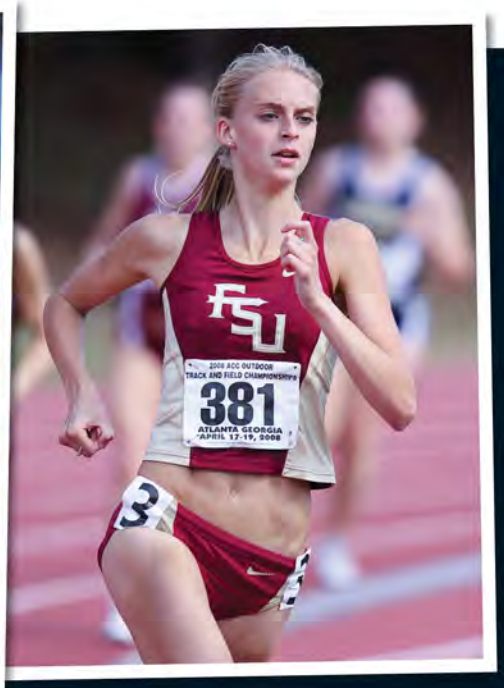
World Indoor Athletics Championships
Istanbul – 9th to 11th March

Although the organisers have done pretty well to keep it under their hats so far, 2012 is in fact the year of the London Olympics. There you go – the cat's out of the bag! Sorry Seb.

With one of the biggest sporting occasions on the planet looming, good preparation and competition is obviously vital for athletes wanting to be at their peak for the games, especially for those in Track and Field, where every millisecond or millimetre can be the difference between gold and going home.

Every athletics bod worth their spikes is out to get ready for London, and as the ideal warm-up this year's World Indoor Championships promise to be the biggest in the event's history. Indeed, with around 160 countries and over 800 athletes set to take part, all previous participation records look likely to be smashed. Considering they've never hosted a major global athletics championship before, the people of Istanbul had better prepare themselves for something of a baptism of fire.

Considering that it's a large-scale stepping stone to Olympic glory, the World Indoor Championships will naturally be packed to the rafters with top



performers with podium aspirations from both the UK and beyond. The event will also provide British fans with the ideal opportunity to check in on how some of our medal hopefuls are faring in the build-up to London.

Mo Farah will line up in the 3000 metres as part of his preparations, Phillips Idowu is set to compete in the triple-jump, and heptathlete Jessica Ennis will ease into her campaign over five events in the pentathlon. After winning a brilliant silver medal over 1500 metres at the outdoor World Championships in 2011, Hannah England will be aiming to go one better in the purpose-built Atakoy Arena, and 800 metre specialist Jenny Meadows will be desperate to pick up some medals in what is likely to be her last season of top level competition.

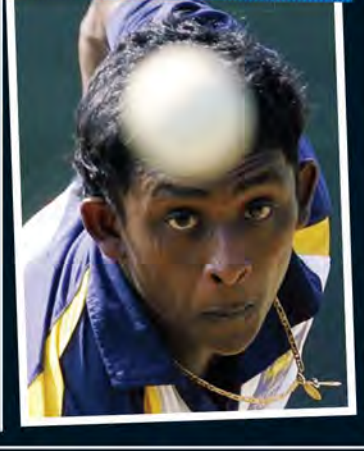
Controversial British sprinter Dwain Chambers – who is still hoping to overturn the Olympic ban he was awarded for a 'drugs offence' back in 2003 – will defend the World Indoor gold medal he won two years ago in Doha in the 60 metre sprint, but it won't be easy with the speedy Jamaican Asafa Powell intending to compete.

If you're looking for a breakthrough British athlete for London 2012 then you might want to check out the women's pole vault. Although it's traditionally an event that we're completely useless at, Preston's Holly Bleasdale recently smashed the British record with a vault that catapulted her up amongst the world's best.

Prepare yourself for the Olympics by sitting on the couch and watching some exciting athletics. What could be easier?

Sri Lanka vs England 1st Test

Galle, Sri Lanka – March 26th to 30th



One minute they're world beating superstars and the next they're floundering around the wicket like clowns. That's the England cricket team – as unpredictable as the British weather and at least twice as annoying.

Last summer they absolutely decimated an Indian side ranked the best in the world, replacing them on their lofty perch in the process. Then, barely before the hearty cheers of victory had subsided, Andrew Strauss's men went over to India to play a one-day series and were duly thrashed 5-0 in a capitulation that brought the Barmy Army back to earth with a bump.

"The one day series 5-0 capitulation brought the barmy army back to earth with a bump"

Into 2012, and after a couple of months rest they travel to Pakistan, play some truly dismal cricket, and promptly find themselves on the end of a 3-0 thrashing that was deeply chastening. Whatever next?

Perhaps luckily for England, Sri Lanka are enduring something of a patchy spell themselves, so much so that their captain, Tillakaratne Dilshan, recently stepped down after a 2-1 series defeat in South Africa to focus on his waning batting form.

Whether the world beating superstars or the floundering clowns will turn up in Galle on March 26th is anybody's guess, but the result will almost certainly hinge on the answer. As, no doubt, will England's right to still be considered the best team in the world. ♣

Our rude round-up...

RATINGS: ★ TORY PARTY ★★ TEA PARTY ★★★ BIRTHDAY PARTY ★★★★ SLUMBER PARTY ★★★★★ KEY PARTY

Fallen Angelz
(Harmony)

There's a little poem on the back of the DVD sleeve that sums up the approach here, especially the line: 'The bitch from heaven's hallowed halls, electrocuting cock and balls'. Yep, it's Harmony in kinky mode, with most of the budget seemingly spunked on hats, PVC and chains. Blighty's own Syren Sexton does sterling work in a threesome, with the anal stuff left to the Euro babes, the likes of Rebecca More and Cathy Heaven accommodating fat cocks with ease. It's dark, it's dungeony, it's dirty. What more do you want?

★★★★

Trouble at the Slumber Party
(Digital Playground)

The simplest things are the best. This takes the barest idea – some girls getting together for a slumber party – throws some truly beautiful sex stars at it, and it takes off. BiBi Jones and her incredible body are centre stage, generating some heat in the opener with Manuel Ferrara and then wrangling a second huge cock in a separate fuck with Erik Everhard. Vicki Chase's scene is skippable – she doesn't belong in this company, but Andy San Dimas and Riley Steele both make sure the male invasion of the girls-only night goes with a bang. ★★★★

The Nightmare Of...
(Private Gold)

We assume that knob David Cameron hasn't exercised a veto on Euro porn yet, as we're still being flooded with the stuff at Raymond Towers. The stunning Black Angelika stars in this all-anal feature, joined by a cast that takes in Hungary, Slovakia, Romania and the Czech Republic. Her scene is the real keeper, although the lithe and natural Kristine Crystalis (in a threesome) and fantastically-boobed Roxy Taggart aren't too shabby in the bedroom department either. A nightmare? Nah, it's a wet dream...

POINTS FOR PANTS!

Hanna knows how to say thank you...

There are many theories about the way to a girl's heart, but Hanna is pretty clear about the route to hers, and it doesn't involve diamonds or keyhole surgery through a coronary artery, in case you were wondering. No, for 23-year-old Hanna, it's all about lingerie.

"I can choose myself the perfect sexy lingerie, but the real test of a man is if he can. I've had guys buy me horrendous things that are 4 sizes too large, or really foul kinky things that belong in a dungeon or on a gimp! The key is to pick something that combines class with sexiness, alluring but revealing. And it's a rare man who can do that."

Any points for rocking up with a pair of big knickers?

"No. And the rewards can be huge. Pick me the perfect bedroom outfit, and all holes are in play..." ♣

No boys and no toys...

Without wishing to be derogatory, Vera and Alexa are a couple of right nymphos. You'd think putting them into a room to fuck each other would be enough but, no, we got a right earful from them because we didn't bring them any dicks to play with, and there weren't even any sex toys. When we pointed out that that was why tongues and fingers were invented, they shouted at us, kicked us out of the room and, funnily enough, did exactly what we suggested. Luckily for us all, they didn't kick the photographer out. We're just surprised he managed to escape these saucy sluts in one piece. Although he was wearing a rather enigmatic smile... ♣

Yes, it's an update rather than a whole new level if iPhoneness. So let's be clear: There's virtually no reason for you to get this if you've got an iPhone 4, and if you do you're purely doing it to keep up with the Joneses. The incremental improvements aren't worth £500. If, however, you haven't got an iPhone, then welcome to the party. This is still an average phone with brilliant features, and no other smartphone can compare on the level of apps. The selling points are the new iOS5 interface and 'Siri', which is just voice activation given a name that sounds like Tom Cruise and Katie Holmes' kid. Voice activation isn't any big innovation, but they execute it with Apple savoir faire, and it's not as we don't all talk into the ether anyway.

Pros: Apps galore, nice video, better camera, Siri.

Cons: Will be usurped by iPhone 5 and competitors.

Canon Ixus 230

Camera sales have tanked in recent years, what with everyone having one on their phone, no matter how crap. Immediacy seems to have replaced whether or not it's actually worth filming/snapping. But good old Canon are still churning out quality and affordable compact digital cameras, offering entry-point access to decent technology. This is a great pocket-friendly size, with excellent auto focus and full HD at 1080p for video – although let's be honest, your home videos aren't that interesting to anyone else whether at 1080i or p, are they?. With a good screen and plenty of features that camera-phones can't pull off no matter how hard they try, this is a good casual option.

Pros: Both images and video are crisp and clear. Portability.

Cons: Lots of competition at this price point.

Sonos Play: 3

£270

www.sonos.com

Those of us who spent our lives collecting records/CDs/cassettes look like right mugs these days when youngsters have access to just as much music via a gadget that fits in their skinny jeans pocket. Still, you can wipe some of the smugness from their grins when you point out that their mp3s don't have the same resale value as your lovingly tended collection. Anyhoo, if you want to stream your mp3s, listen to the radio, use spotify and do it all from one machine, here you go. It punches about its weight/size in terms of sound, although it simply won't do in anywhere cavernous.

Pros: Idiot-proof installation, decent sound, good indexing.

Cons: We like record sleeves. Sorry. ♣

ROCK ON TOMMIE!

We're putting on the Brits...

If we've learned anything from our Girl of the Year poll, it's that you readers like British girls in *Club*. Well, then you're going to love Tommie-Jo. She's been a staple of our venerable sister magazine *Mayfair* for the last year or two, but they've finally taken their eyes off the ball long enough to allow us to snaffle some pictures of the beautiful blonde.

"I haven't been in *Club* in ages," she sighs down the phone. "I thought you guys didn't like me."

Au contraire, ma cheri, we say. Or something like that. We may have just stuttered, and dropped the phone. Note to selves: stop masturbating before ringing up the models. ♣

TOMMIE JO

WINNER TAKES ALL

(HER CLOTHES OFF!)

The votes are in, the Electoral Fraud Commission are peering over our shoulder, and we can announce the winner of Club International's Girl of the Year…

Nearly every girl who featured in *Club International* in the last 12 months received a vote – and a few from 2011 and even one from 2010! Several Readers Girlfriends got mentions too – with readers clamouring for Shelly and Kacie to become full-time models.

Among those in the top ten are Brit babe Megan Coxxx, Charlie Sheen's bit of stuff Capri and the lovely Krystal Webb. Ian from Aberdeen praised Tiffany from Vol. 40 No. 6 for her 'long brunette locks, very pretty face and a shaven snatch made for fucking'. We agree. Euro beauty Kami made it to number 5, edged out by the aforementioned Krystal, as we had an all-British top 4.

3rd

Danielle Maye

The former Readers Girlfriend was an early front-runner in the voting, with readers mentioning her sexy smile, blonde locks and some even bigging up her recent boob job. Don't worry, guys, we've just got some new, red-hot pictures of Danielle lined up for you. Watch this space…

2nd

Sasha

The pre-voting favourite was hugely popular with *Club* readers, with plenty of you telling us your favourite Sasha shoots – and the nurse set got the most mentions! A legendary *Club* girl, we can only hope Sasha is ready to strip again after her hiatus!

1st

Winning by a single vote, England's own Jenny appeared several times in *Club* and clearly won over a lot of fans. She had a troubled year, receiving a jail sentence, but worry not, we've stockpiled some amazing sets of our newly crowned Girl of the Year 2011 – like the one that starts over the page…

LAIRD-DO-WELL! ♣

Jenny Laird is your Girl of the Year!

It was the closest vote we've ever had for Girl of the Year, but Jenny Laird's triumph is a rare piece of good news for her. As regular readers will know, Jenny currently resides at Her Majesty's Pleasure (we're sure you can Google the details), and while this award is no cake with a file in it, we hope it brings the stunner some cheer. We've stockpiled a few sets of her, knowing her popularity with *Club* readers, so she'll be popping up in 2012, and we can only hope such a natural model will return to her rightful place in front of the camera upon her release. Either that or we'll have to smuggle a camera up our arse if we get visiting rights. Congratulations Jenny, a worthy Girl of the Year winner... ♣

NAME: Fawna **AGE:** 19
FAVE SEX: Marathon sessions.
WHAT'S SHE LIKE? An English rose with a naughty side.

WHY DID YOU WANT TO APPEAR IN CLUB INTERNATIONAL?
It's the sexiest top shelf magazine, with my favourite girls in it, and I want to be one of them.

WE RECKON YOU'VE GOT A LOOK OF GEMMA ARTERTON...
Ah, I get that quite a bit. She looked great in those shorts in *Tamara Drewe*, so I take it as a compliment.

AND THAT'S QUITE A NATURAL BUSH YOU'VE GOT AS WELL...
Yes, I've let it go at the moment. Sometimes I shave totally bare when I'm feeling naughty, but I know men who really like some bush as well. My favourite porn star Bobbi Starr has got quite a lot of pubes..

DO YOU FANCY GOING THE BOBBI STARR ROUTE, CAREER-WISE?
I don't think I could do all the kinky stuff she does, but never say never. I'm only 19 and I'm getting dirtier with every year! ♣

EASY CUM, EASY GO

I've always had trouble finding men. Let me re-phrase that: I've always had trouble finding men that I fancy. The trouble with dating men that you don't fancy is that nothing really happens when you inevitably end up bored in the missionary position at home in bed. It's nice but it's hardly going to set a girl's world on fire. Even when they've got a nice big cock and know what to do with it, I find myself thinking about shopping lists or other mundane stuff – which is obviously wrong. That's probably why I did what I did when I moved into a new house-share. I don't have much stuff and managed to arrange for a few people to give me a hand, which is how I met James.

My stuff was being ferried across the street when this hunk of a chap came over. It was ten-thirty in the morning. I couldn't believe it – he was just my type! And he'd come over and smiled. This didn't happen to me! "Hi, I'm James – Anita's boyfriend, she said that you might need me today." Anita had mentioned that she might be able to lend me her boyfriend for the morning. My heart sank: just my luck – I find a guy that I fancy and he's already taken by one of my friends from work.

The thing was, as all the other helpers slipped away, I found myself more and more reliant on James and his strong muscles. I was trying desperately not to flirt with him; trying desperately to concentrate on not leaving anything behind in the old house. Trying not to notice his muscles, his smile… but some subconscious part of me was just doing it. I was turning into a giggly, flirty, cock-hungry babe. Cock-hungry? Under no circumstances should I have been thinking about his cock. He did seem to have a rather impressive bulge in the front of his jeans though… Fuck! Stop it! Fortunately, James seemed oblivious. He'd never met me before so perhaps he thought I was always like that, or that the stress of the move was turning me into a nervous wreck.

"Well, that's it – the old room's been stripped bare." The way he said 'stripped bare' whilst looking me up-and-down made my pussy tingle. Had James just flirted back? Only one way to find-out – I've never been short of courage, never been afraid to try; never been afraid to put myself up there to be shot down.

"You know, it's sad really: I've been in this place for two years… and no-one's ever

made me orgasm." It was a lie but it was an open invitation and a challenge rolled into one. I actually saw the crotch of his jeans twitch in response.

"Sounds like you never found the right man for the job," James said moving in close. The murmur of my reply was lost as we kissed. My body melted in excited guilty pleasure. "Christ!" I thought. "This is it! I'm cheating on my friend." My hand was already inside his jeans, wrapping around the thick stiffy that had risen to my challenge. My T-Shirt disappeared over my head as I knelt to take that lovely cock into my mouth. I admired it as I wanked the foreskin up and down before running my tongue around the head and taking it into my mouth. I took it as deeply as I dared – which in my excited state meant that it went in deeper than any cock in my life. Then I started bobbing with short shallow strokes. James pulled it out in a hurry but it was already too late – I saw it twitch before powerful spurts of cum launched themselves all over my face.

Feeling a confused mix of pride and disappointment, I wiped my face with my fingers and licked them clean. However, James – embarrassed as he was – helped me wriggle out of my jeans and knickers and set about making-up for his early release. A thrill pulsed through my pussy as he used his fingers to spread my labia and then used his mouth on my private area. It seemed like the horniest, dirtiest thing imaginable as I let this forbidden stranger eat me out. He was well trained and I thought about poor Anita; I bet she hadn't intended lending out these services. For some reason, I imagined her finding-out and making me lick her pussy as punishment. That was enough to make my pussy tighten into a climax. My back arched and I groaned with satisfaction as my body convulsed with pleasure.

> **"I saw it twitch before powerful spurts of cum launched themselves over my face"**

James came up from between my legs and kissed me. Another deeper thrill coursed through my body as I felt his re-invigorated cock touching against my cunt-lips. I wanted to scream-out in joy as he pushed it inside me. It was so naughty and so wrong but it felt so good as this gorgeous hunk stretched my

tight pussy with his manhood. He fucked me with a perfect stroke – fast enough and hard enough to tweak my pleasure up a notch with every thrust. I had my legs wrapped around his lower back, willing him to do it to me. My hand slipped down between my legs and played with my clit even as James pounded my juicy pussy with his cock. It was the perfect intensity of stimulation that I needed to climax and I'm proud to say that for the first time in my life I had a double-orgasm – the first spasms barely fading before another cramping ecstasy took hold. My cunt knotted like a vice around James' cock and he started cumming too, shooting his spunk deep inside me.

I didn't release my legs as our combined orgasms faded and James' cock deflated inside me. "So," I said, my body already eager to repeat our dirty little secret, "any chance you want to come and help me christen my new place?" We were so eager to move on that we forgot to clean up after ourselves and I got a fine for "miscellaneous stains" on the carpet. That reminds me… I must remember to clean the matching stain from this carpet before I move out!

NOCTURNAL CRAVINGS

My best mate, Alice, started university this September and it's been a wildly exciting time for her from what she's told me. Beginning a new life away from the family home sounded brilliant. She was lucky enough to move into brand new halls but, although smart, her room was more like a glorified wardrobe; there was barely enough room for me, let alone any of my stuff when I went to go and see her before Christmas.

Meeting her new friends was great and we fought tiredness to catch up long into the night. It wasn't until after 3 AM that we finally gave in and headed off to bed. Fortunately, one of Alice's flatmates had gone home already and I was able to sleep in her room, which saved me from a night on the floor.

It wasn't long after my head had hit the pillow that I heard rhythmic banging against my wall. At first I thought it was the pipes or something wrong with the building. Only when the banging became louder and more intense did I recognise the sounds of two people having sex. I found myself listening and soon I was reaching for my trusty hairbrush and sliding the hard plastic handle down between my plump pussy lips and driving it into my hole. It's not really thick enough to do the job properly these days but it's been a good cock substitute over the years and I wanted something inside me.

By now all pretence at keeping quiet next door had been given up. I could hear groans

of satisfaction, both male and female and I wanked myself harder, imagining it was a real cock ploughing my cunt. However, I wasn't really getting any fulfilment from my hairbrush and frustratingly had to give up trying to pleasure myself. My body was simply too tired to co-operate. What I really wanted to do now was raid the fridge. I slipped quietly out of my room and stumbled over something lying in the corridor. Flicking-on the light, I was amazed to see a bloke asleep on the floor outside my room. Trying not to disturb him, I went into the kitchen area and switched the light on and yelped in surprise at finding another bloke lying on the couch. He propped himself up on one arm, "Sorry – don't mind me, I'm just waiting for my mate," he said.

"He'll be the one doing the banging then?"

"Yeah. Lucky sod," he said. I had a dirty thought. One that made my pussy tingle with excitement. I thought about it for a moment whilst I poured an unnecessary glass of water. I didn't feel tired or hungry any more. Well, not hungry for food anyway…

"Since neither of us is likely to get any sleep, do you fancy keeping me company in my room?" I asked.

"Yeah, I'd love to," he replied enthusiastically. I'd never done this before – never had sex with a random bloke – and my heart was thumping wildly with excitement as I led him back to bed. We both stepped over his comatose friend and as I slipped off my gown I was suddenly naked with this complete stranger. They were still going at it next door and it was to the muffled sound of slapping flesh that I dug into his trousers and pulled his cock free. I felt his fingers between my legs, searching-out and then rubbing my pussy as we started snogging.

His cock felt wonderfully hot and hard in my hand and I was eager to feel it inside me. His fingers had already slipped inside my pussy, having found it slick with juices from my earlier wanking session. He was highly skilled, and his fingers hit every one of my sensitive spots and he'd soon made me desperately horny for a proper fuck.

Realising that he was waiting for me to make a move, I pulled him backwards onto the bed, until I ended-up on my back with his body between my legs. As he shuffled-up, suddenly his cock was touching my pussy and without hesitation, he guided it into me. The slippery stretching sensation of his cock entering my body was the most perfect thing in my universe. I totally forgot about the thin walls and let out an almighty gasp of pleasure.

My legs locked behind his back and my screams and shouts of ecstasy drove him on until his hips were a blur of movement, his cock a carnal piston, driving sexual energy into my willing flesh. My whole body was buzzing as his glistening stomach whacked against the backs of my thighs. He couldn't last long at this frenzied pace, yet with my headstart I could already feel my muscles pulling tight in anticipation of my climax. Then gloriously, the fire in my pussy surged in waves through my body as I started cumming. My pussy spasmed violently and sent my lover into his own orgasmic explosions – he pulled out his wildly ejaculating cock and sprayed love juice up my entire body. A tangle of legs meant that he had blown his entire load over my stomach and tits before he could get it in my mouth but I was still able to savour the taste of both our sex juices on his twitching pole. Only when we'd finished could we hear the muffled sound of laughter and clapping from next door. They'd obviously finished and had been listening to us.

"Do you want to stay?" I asked, wiping myself clean and licking my fingers.

"Yeah, that'd be nice," he said with a smile. We somehow got comfortable in the tiny bed and as I was finally falling asleep, I was thinking what a wonderful life these university girls lead – with cock on tap, I might not leave it so long before my next visit!

POPSHOT CULTURE!

THE WORLD OF PORNOGRAPHY AND DIGITAL MEDIA IS ONCE AGAIN SCRUTINIZED AND THEN MASTURBATED AT, BY VETERAN PORNPERT (PORN EXPERT) MATT SANDERS...

PORN STAR GRAVEYARD

Where we look back at the cock-slurpers who hung up their chaps...

Natalie Heck (aka Savannah Gold)

Sad news. The buxom blonde Brit died last October from a brain aneurysm as a result of drinking. 27-year-old Natalie had been in the news the previous year when she was attacked by a knifeman who slit her throat and tried to strangle her. She'd gone abroad to recover but, alas, tragedy found her again late last year. Natalie was born in Yorkshire in 1984, and both of her parents died when she was 12. Brought up in foster homes, Natalie entered the porn industry when she reached her twenties, proving a popular lass in the UK softcore mag scene, and on late night call in shows on satellite TV. She soon moved to the States, took on the name Savannah Gold, and had a successful hardcore career. She was known for being mouthy and energetic onscreen, and having met her a few times, I can confirm she was the same offscreen – and lots of fun to be around. She will be missed.

BIRD OFF THE BOIL

YOU WOULD, WOULDN'T YOU? OR WOULD YOU?

THIS MONTH: Vanessa Paradis

At the time of writing, the love affair between the world's sexiest 48-year-old man and the world's Frenchest woman was rumoured to be on the rocks. Tabloids were flinging stories about that Johnny Depp and Vanessa Paradis were leading separate lives after fourteen years of blissful coupledom. Well, Paradis finally struck out against the rumours so, for the time being, we can rest easy knowing that their love is secure. But one thing has become apparent with all the press interest the couple have received recently, and that's the sad fact that the demure Joe Le Taxi chanteuse isn't as fit as she used to be. Not that we thought she was fit when she first appeared on *Top of the Pops* (that would make us illegal) but when she swanned around being all Gallic and charming in her twenties, modelling, appearing in tedious but often quite sexy French films, and flashing that toothy gap all over the shop. Don't get us wrong, we'd still do her (as, we hope, does Johnny) but we wouldn't mind too much if she said no. We'd be a bit hurt, that's all.

NEWS OF THE SCREWS

YOUR MONTHLY ROUND-UP OF THE BIG STORIES IN THE PORN BIZ

HAIR TODAY...

A 60-year-old Alabama barber was arrested last month and charged with distributing obscene material, after it was discovered that he'd been selling porn DVDs and VHS tapes from his barbershop without a licence. Garvin Chancery had worked at the downtown barbershop for years and claimed he was very sorry for any embarrassment he caused by selling blueys for three bucks a time. It might seem a bit harsh prosecuting an old man for selling rude movies but Alabama even criminalizes the sale of sex toys, so it's probably a State to miss off the list if you're planning a trip to the good ol' US of A any time soon.

TORI PARTY

Thoroughly lush porn chick Tori Black was arrested in January along with her fiancé, Lyndell Anderson, and charged with domestic battery after a row they had at the Vegas Hard Rock Hotel & Casino turned ugly. Black was there to make appearances at this year's AVN Adult Entertainment Expo, but had a bit too much to drink when she and her fella started arguing in their hotel room in front of their baby. He allegedly called her an unfit mother, she allegedly whacked him round the head. Much screaming and fighting later, the cops came to break it all up. A valuable lesson there: never tell a drunk porn star she's an unfit mum. Ever.

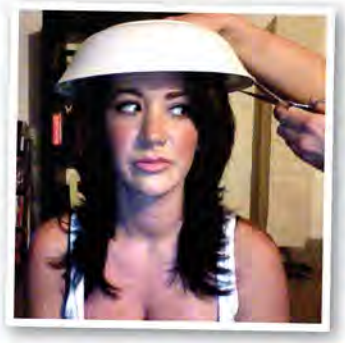
THE BIT ABOUT BABES WHO LOVE TO BLOG...

Jayden James sounds like she's a whole big box of fun to be around. If she's not cracking wise, she's posting pics of her sunburnt tits, or banging on about her dog, or informing fans of when she has her colonics (usually Wednesdays, as Thursdays are 'Anal Thursdays' for Jayden). She's the kind of porn star on Twitter the rest should aspire to be – a perfect mix of kooky, filthy, emotional (yeah, she's not afraid of the odd outburst) and happily lets her followers know what porn work she's up to (with hardcore pics to get them interested). Let's take a little look-see at what she's been tweeting these last few weeks...

"My new trainer is kicking my ass. I love it!!! Get it right, get it tight!"

"Fuck a cold, it's sexy photo shoot time!!! Plus, we're shooting at my place. So comfortable! Whoohoo."



"Apparently my dog gets a little slutty during her stays at the pet resort. Hahahahaha."

"Only in my dreams can I have amazing lesbian sex with a kinky blonde AND murder a big fat mafia dude in one night. My dreams are CRAZY!"

Follow lovely Jayden at *www.twitter.com/JaydenJames* to keep abreast of her, ahem, breasts. And tell her to use factor 50 next time.

Top Five...

Sexy Catwomen

Which leather-clad femme feline gets your milk frothy?

5: Lee Meriweather
She only ever played Catwoman in the 1966 *Batman* film, but her sexy accent in the double role (as Kitka) was to die fur! No, that's not a typo, that's a 'joke'.

4: Anne Hathaway
Okay, after we've seen *The Dark Knight Rises* I'm sure she'll be closer to the number one spot (I mean, look at that cleavage!) but until then Anne has to catnap at number four.

3: Halle Berry
Her *Catwoman* film should have been buried in a litter tray but if you are ever forced to watch it, at least you get to see Halle in some very tight leather trews.

2: Julie Newmar
It was Julie who, in the original TV series, made Catwoman the sexy sex symbol she is today. If you're a man in his 30s or above, you've had a wank to her, end of.

1: Michelle Pfeiffer
We'd have given one of our nine lives to get straddled by 'Chelle in her catsuited heyday. She took Catwoman to a new level in Tim Burton's *Batman Returns*. Which, scarily, is now 20 years old. Holy shit, Batman!

PRICKIPEDIA

Sexy sex facts about sex!

The average sexual experience lasts about 39 minutes (hmmm, in my experience it's closer to 3.9 minutes)

58% of people like dirty talk during sex (the dirtiest sex talk I've received is "you're shit at this, you fucking idiot")

The average number of calories in a teaspoon of semen is seven (so your missus can basically swallow a hundred loads a day and it won't go to her thighs)

The average number of times a man will ejaculate in his lifetime is 7,200 (and 6,900 of those will be from wanks)

ALBUM REVIEWS

PAUL WELLER

Sonik Kicks (Island)

The Modfather returns with his 11th album, destined to moisten the fannies of the UKs MILF and GILF population. Load it onto the iPod, locate your chosen 40-odd-year-old, and unload your man fat all over her face.

FAITHLESS

Passing The Baton: Live From Brixton (Nate's Tunes)

Faithless have called it a day, so, to commemorate their last ever shows and to make a few bob in the process, they have released this live album recorded down at Brixton in April 2011. It's only £8.99 for the CD and the DVD, so you can get your Mrs round with a bottle of poppers and have a quiet night in.

FEEDER

Generation Freakshow (EMI)

Any band that names themselves after a piece of fishing equipment will always get the thumbs up from me. Feeder were always loved by cute indie girls back in the late 90s, so get your tackle ready, take a trip to the students union, and catch some pussy.

NAZARETH

The Singles (Salvo)

Dan McCafferty and Pete Agnew have been living the dream with Nazareth since 1968 – that's a lot of sex and drugs. So get some Viagra, Scotch and the best looking granny you can find and take her down memory lane.

HAWK EYES

Ideas (Fierce Panda)

Fierce Panda have always had an eye for a decent band but this is one of the best albums in ages – 4 lads from Leeds rocking hard a la Queens of the Stone Age. Would probably appeal to those brilliant young ladies who love being degraded – hard but beautiful.

SUCK MY DICK VENOM..

Club chats to Dick Venom & The Terrotones frontman, Dick Venom…

Other than music stuff, what other jobs have you done in the past?

I was a milkman for a while – until I milked all the mothers dry and had to leave. The rounds became too demanding.

So you were banging the ladies as you were dropping off the semi skimmed?

There were a couple that used to let me in and delay my round. I was once let in by quite a nice old lady and we were in the front room getting down to business and half way through, her fairly young daughter came in. The daughter was kicked out but she left the door open, at which point the dog came in and started licking my ass as I bent this woman over a table. So I kicked the dog out of the way and then the daughter came running back in because she heard her dog howling. The daughter then said, "Mum, can you just go upstairs and finish yourself off." So it sounds like she must have seen this before!

Classy ladies! What's your all time top 5 drugs?

Number 1 – acid has always been pretty special. My friend was once in a yellow sleeping bag and I started to peel her – I'll always remember that. Number 2 – pills – because every time I take pills, something good happens. Number 3 – cocaine. It's nice, but nothing particularly good happens. Number 4 – speed. Number 5 – mushrooms.

An interesting top 5. Where have you been that you loved?

Faliraki when I was 13 – that was an experience. My sister was working out there so I got let out to go and see her. I had this big massive green mohawk which seemed to be the only one in Greece – so I got plenty of attention. It was the first time I ever got drunk, and after several hours of being bought free beers because of the green mohawk, I threw up the lot.

What kinky fetishes do you have.

Latex, leather, whips, hand cuffs, blind folds – any of the above.

Do you like girls shaven or bushy?

Somewhere in between. A little landing strip is nice. A little whisker is always good.

Do you like them slim or big?

I don't have a specific type – anything that comes my way that looks good.

If you saw a massive 16 stone bird, would you shag her?

It's been done. It was like going down on a gun shot wound.

Who was the first girl you ever fingered?

That was in Faliraki in a nightclub. We were kissing and smooching on the dance floor and I was quite surprised as a 13-year-old that this lady in her 30's was allowing me to stick my finger inside her. She was an American lass.

Top lad. What's the oldest bird you've ever shagged?

When I was 19, I was shagging a 45 year old. It was good, she showed me some nice tricks.

What's the best thing you've ever won?

I've had my name in the Beano comic when I was young. I won a whole bunch of Angel Delight shit – like some plastic spoons that changed colour in Angel Delight and also an Angel Delight hat that never got worn.

Nice one Dick – keep on shaggin'. RockinRollin' VampireMan is out now – www.dickvenom.com

Holy Flying Circus

(Fremantle Media Enterprises, DVD £15.99)

What we take for granted in entertainment now was once outrageous. When Monty Python released *Life of Brian* in 1979, the shocked reaction that the establishment greeted it with caused a furore. Religious groups, senior MP's and members of the public railed against it, leading to a televised debate between Michael Palin, John Cleese, the Bishop of Southwark and Malcolm Muggeridge. This brilliant comedy drama charts the build up to the debate and the release of the film. It's funny in its own right, and the casting of the Pythons (Steve Punt was always going to play Eric Idle at some stage) takes it up another notch.

★★★★★

Fremantle have 3 DVDs of Holy Flying Circus to give away. Be in it to win it by emailing clubint@paulraymond.com or writing to the usual address with 'He's not the Messiah' as the subject.

The Shrine

(Arrow Films, DVD £12.99)

If there was an Oscar category for 'Best Fog', *The Shrine* would definitely be nominated. The world of low-budget horror throws up plenty of duffers and plenty of minor gems, and this is definitely in the latter category. In Poland, an American goes missing, and US journalist Carmen (Cindy Sampson) has her interest piqued when the authorities turn a blind eye. She travels with her boyfriend and intern Sara to investigate, where they discover unpleasant locals, a mystery to be unravelled and fog. No spoilers here, seek out this gem for yourself.

★★★★

Arrow Films have given us 3 DVDs of The Shrine as prizes. Email clubint@paulraymond.com or write to the usual address with your name and address for a chance to win one.

The Conformist

(Arrow Academy, Dual Format £27.99)

Regarded by many as the greatest film to emerge from Italy (although we'll go with *The Bicycle Thieves*, or one with Cicciolina naughty, thanks), this is most assuredly Bernardo Bertolucci's masterpiece. Set in late 30's Rome, it concerns Marcello (Jean-Louis Trintignant), a suggestible fascist who agrees to murder his former professor. To be honest, we don't have the space to describe the psychological complexity of this landmark film, needless to say it's food for thought from beginning to uncomfortable end.

★★★★★

We have 3 Blu-ray/DVD combos of The Conformist to give away. Email clubint@paulraymond.com or write to the usual address with your details for a chance to win.

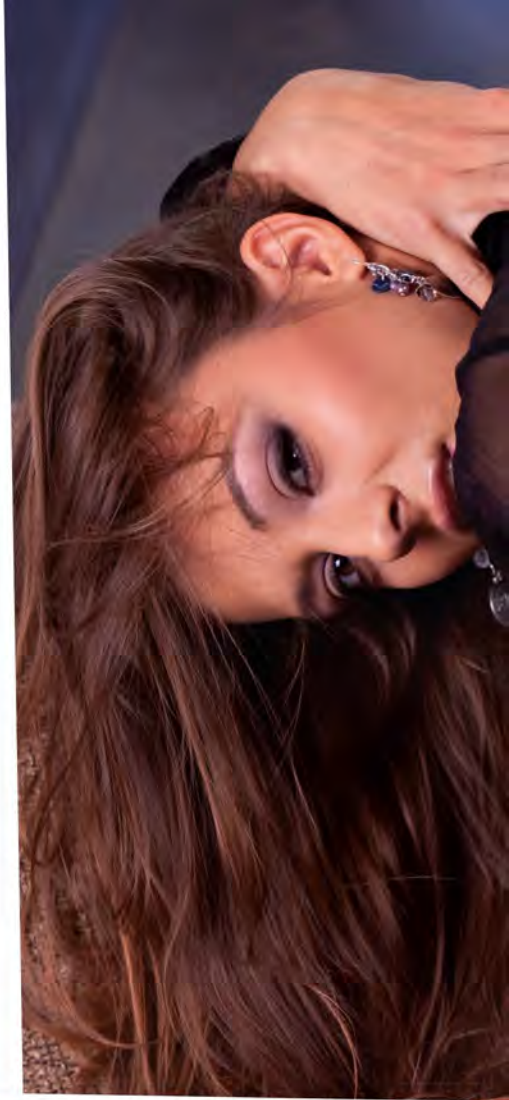
PEACHES

The place to be for the world's dirtiest backdoor sex stories, where every girl gets a bum deal...



JO TAMES A TUSHY!

I am a girl who loves to masturbate. I'm not ashamed to admit it – I don't see why I should be – the only person whose opinion I really care about is my husband's, and he loves the fact that I masturbate regularly, provided I let him watch me as often as possible. He likes it best when I use just my hands, but he doesn't mind if I want a vibrator or butt-plug as well. Often, after he's watched me getting myself off, we end up fucking as well. Or if I've given myself a really big orgasm I'll sometimes just suck him off, which never takes long after he's watched me wanking myself. And I do always get myself off. I guess that practice makes perfect, and one way or another I always cum when I masturbate, even if sometimes it takes a vibrator on my clit and a plug in my arse to do it. But usually just rubbing my clit with the fingers of one hand and fondling my breasts and arse with the other is enough, and I get off after just a few minutes of this.

Anyway, like I say I'm not ashamed to admit it, and the other night when I was out with a group of my girlfriends the subject came up, when one of them told us that she was splitting up from her husband. She said that things had been pretty rough recently, so in many ways it would be a relief, but that the only thing that she would really miss was that he could always make her cum. So I piped up and told her that she didn't need a man to do that, and much amusement (and a little amazement) followed when I told them that I gave myself at least one orgasm a day by wanking, whether my husband was around or not. A few of the other girls admitted that they also enjoyed a quick one off the wrist from time-to-time, although none of them would admit to being as regular at it as me.

One girl – Michele – who I didn't know so well, stayed really quiet throughout all of this. I thought that maybe she was just shy, but later that evening when there were just a few of us left, she caught me on my own, and said, "I'm so jealous of you. I've never had an orgasm in my life." I nearly fell off my chair – she wasn't much younger than me, so to have gone this long without ever cumming seemed terrible to me. "That's awful," I said, "What happens when you masturbate?" Michele told me that she sometimes tried to make herself cum, but that it just never seemed to happen for her. "Right," I said, "You're coming home with me, and I'll teach you how to get yourself off." She started to protest that she couldn't possibly do this, but I think that secretly it was exactly what she wanted.

So I made our excuses and bundled her into a taxi back to my place, knowing that my husband was away for the night. When we arrived I took her straight upstairs, and told her to undress whilst I found something to get her into the mood. I found a DVD that I thought should do the trick, and forwarded it to a scene that I knew of two girls pleasuring each other with fingers and tongues, which I thought would be appropriate. When I turned back to Michele, I saw that she was down to her panties, but seemed reluctant to lose them. Fair enough I thought – they can wait.

"Lie on the bed," I instructed her. "Now, touch yourself in any way that feels good, and tell me what you can see on the screen." Michele's right hand

> **"I watched Michele's anus relax as the thickest part of the cock left her"**

moved instinctively between her legs and began to stroke her pussy through the thin material of her panties, whilst her left hand moved to her boobs and started to massage them firmly. "There are two pretty girls," she said, "And they're kissing."

"Does that turn you on?" I asked. "Do you like to watch pretty girls kissing?" Michele just nodded, but I noticed that her hand was working more insistently between her legs, so I encouraged her further. "Would you like to kiss me?" I asked. Michele nodded again, so I leaned over to her and gently pressed my lips to hers, letting my tongue just softly probe into her mouth for a moment, before we separated. I could see a deep flush spreading across Michele's face, neck and boobs, and her hand was now rubbing firmly and quickly at her panties.

"Tell me what you can see now," I instructed her. "They're touching each other," replied Michele. "Where?" I insisted, "Tell me where they're touching each other." Michele looked down at her hand busy between her legs and said, "Here, they're touching each others' pussy." I glanced over my shoulder at the screen, and could see that the two girls were indeed now engaged in some mutual masturbation, both sitting on a sofa with their legs open and each reaching across to fondle the other between the legs.

"Do you want me to touch your pussy?" I asked Michele. "Oh, yes please," she half-moaned. "We'd best lose these then," I said, and gently took hold of her panties and pulled them down past her ankles and off. Michele let her legs fall open, revealing the prettiest little pussy that I'd seen for a long time. Like my own, it was completely hairless, and the attention that Michele had been giving it had caused the lips to become swollen and flushed, with her clitoris pushing out proudly from its little hood. "Touch yourself," I ordered her, and as her hand went back to her clit – this time without the panties in the way – I let my middle finger trace upwards from her perineum until it slipped between her lips and into her vagina. She had got herself so wet and horny that there was little resistance, and my finger was soon inside her velvety warm palace, stroking upwards at the sensitive spot that we girls have in there.

This seemed to be having the desired effect, because Michele was starting to show all the signs of approaching orgasm – her face, neck and boobs were now flushed a deep pink, her pussy was blooming open whilst leaking juice copiously on to my hand, and her breathing was rapidly turning into an erratic panting. Her hands were busy too – one between her legs now tracing firm little circles around her clit, whilst the other was clutching at her breasts and massaging them.

"Tell me what the girls are doing now," I insisted. "Licking," Michele gasped, "Licking pussy." I gently withdrew my finger from inside her, and held it up to her face. "Do you want to taste pussy?" I asked, to which Michele just bent her head forward and took my finger into her mouth, sucking greedily at the flavours on it. "More," she begged, so I dipped my head down between her legs and snogged at her pussy, making sure that my lips and tongue got completely coated in her rich cream. Then I move back up, and kissed Michele deeply, letting my tongue push firmly into her mouth this time, and feeling her own tongue lapping away to get all the taste she could from me.

"I'm going to make you cum now," I said, "Are you ready?" Michele's answer was

“Fuck my arse. Please fuck me up the arse. I want your cock in my arse”

more of a whimper than anything else, so I just moved back down the bed, and started to use my tongue alongside her own fingers at her clit, occasionally dipping a little lower and pushing it in to her cunt to taste some more of her nectar. At the same time I took my finger, still wet from where she had sucked her juices from it, and started to stroke her little arsehole. I could hear Michele's pants becoming more and more urgent, and just when I sensed that she was on the edge I pushed my finger upwards, feeling her anus resist and then relax as I entered her, which was the tipping point for her orgasm. Her back arched and her legs tensed, as she cried out, "I'm cumming, I'm cumming!"

And boy did she cum. She may not have managed it before, but she made up for it as she rode her climax for all she was worth, pushing herself firmly down on my finger and desperately rubbing at her clit for all she was worth to prolong the ecstasy. She must have kept going for almost half-a-minute, but eventually I felt her shudders weaken and her body relax. I kept my finger in her arse for a few moments longer, as I dipped my head forward and took one final long lick along the length of her gash to savour the last of her flavour. Then, letting my finger slip out of her, I crawled back up the bed and gave her a congratulatory kiss, letting her taste for herself from my lips the results of her first ever orgasm. She seemed unable to speak, so I just rested my head on her big tits whilst she recovered, and idly traced shapes over her tummy with my fingers.

After a while she asked, "What would happen if your husband came home?" I told her not to worry, because I knew that he was away for the night. "But what would happen?" she insisted, "What would he do?" I had thought that she was worried about it, but now I wasn't so sure. "What do you think he would do?" I asked, innocently. "I don't know," she replied, "Do you think that he'd do that?" I looked up at the screen to see what she was referring to, and could see that the two girls had been joined by a stud, who was now vigorously fucking one of them up the arse whilst she ate her friend's pussy. "Would you want him to do that to you?" I asked her. "I've never had that done before," she replied, "I'd like to try it."

Well, sadly my husband really wasn't going to be back, but an idea was forming in my head. "You'd have to ask him," I told her, "What would you say?" Michele paused for a second, then said quietly, "Please do that to me." I insisted, "What? Do what to you? You'll have to ask him properly." Michele was quiet again for a moment, and then loudly and clearly said, "Fuck my arse. Please fuck me up the arse. I want your cock in my arse." That was clear enough for me, so I positioned her on all-fours on the bed, facing the screen so that she could watch as the stud continued to bugger the two girls one after the other. From the bedside cabinet I took out a bottle of lube and a strap-on dildo that one of my more adventurous girlfriends had left behind. I quickly pulled it on and coated the fake dick liberally with lube, then holding it at the base I positioned the tip of it at Michele's arsehole, and started to push forwards.

"Is this what you want?" I demanded. "Oh yes," she shouted back, "I want your cock up my arse now." I pressed forwards, slowly but firmly, and watched entranced as Michele's

anus slowly opened up to accommodate first the tip and then the top of the shaft of my plastic cock. I'd been where Michele was now so many times, on all-fours on the bed with my husband's cock firmly embedded in my bum. So I could almost feel what she was feeling as I leaned forward some more, and saw the remaining three or four inches of plastic cock ease into her, her anus stretching to the limit to get the thick base of the shaft in. It was such a sexy sight to be behind another girl watching her being fucked up the arse and all the sexier because it was me doing the fucking. I pulled back, and watched Michele's anus relax as the thickest part of the cock left her, only to stretch wide again as I pushed forward once more to push it back in right up the hilt.

Taking hold of Michele at the hips, I started to thrust in and out just like a man would. And she responded just like I do when I'm getting buggered by my husband, resting her weight on one elbow so that with her free hand she could reach back between her legs and start to rub at her clit. On the screen in front of us the guy had pulled his cock out of one girl's arse, and the camera had focussed-in on it gaping open, before he slid his cock straight in again. I followed suit, pulling my fake cock all the way out of Michele's arse, and holding her butt checks apart so that I could see it gape, then slowly return to normal. Just as it was about to close, I pushed the dick back in again, squirting some extra lube on the shaft so that I could really build up some speed.

Michele was rubbing furiously at her clit as I fucked her vigorously up the bum, and as I heard her tip herself over to orgasm for the second time that day, I thrust forward firmly one more time to embed the dildo up her arse right up to the widest part at the hilt, collapsing forward as I did so to rest against her back, my boobs forming a cushion between us. Glancing up, I could see that on-screen the stud had pulled his cock out of the one girl's behind, and she and her friend were now kneeling in front of him as he wanked his cock, spurt after spurt of his thick cum leaping out of his dick and coating both their faces liberally. As the girls started to kiss and lick the spunk off each others' faces, I said to Michele, "Now if you want that, then we will need my husband!" Turning her head round to look at me over her shoulder, she replied, "Yes please – can you call him?" What a girl!

KEEPING IN TRIM!

Bridget has a close encounter...

Bridget's pussy is so well trimmed, we think there's some kind of weird science involved. We couldn't find a single stray hair with a magnifying glass, and we're experts.

"No big secret," the 21-year-old says, "I just have some help. I can't reach all those places, especially not with a sharp razor, so I'll get a girlfriend round to help me. And then I'll do hers afterwards."

How lovely and selfless of you both.

"And then, obviously, we finger and lick the hell out of each other's bare pussy..." ♣

BRIDGET

What our well-placed moles are telling us this month...

DOWN THE WIRE

EELING GOOD!

We love the Chinese here at *Club*. They're without peer when it comes to making Chinese takeaways, fireworks and gunpowder, and we tip our hats to their ability to eat smelly old eggs like we eat Kit Kat Chunky bars. But some of their medical ideas are pushing it, with what happened to Zhang Nan a cautionary tale. He bathed with live eels, which are supposed to cleanse the skin by nibbling gently at it – similar things are available in London with fish for your feet – but the 56-year-old from Hubei province got more than he bargained for. One eel, living up to its slippery reputation, wriggled up his cock. The six inch eel took three hours to remove from his urethra, and was dead on retrieval. Elvers has now left the building!

THIN BLUE COCK!

Most public servants, caught acting in a porn film online, would put their hands up and say, "It's a fair cop!" But not John Dancler, a parking enforcement official (AKA a traffic warden) in Los Angeles. When the porn video he featured in came to light, he was dismissed for 'engaging in misconduct on the job', more specifically 'groping the bare breasts, spanking the bare buttocks and being straddled by an adult video actress in public'. This was back in 2008, but he's appealing to get his job back with a civil case. Still, at least he put his dick on the line – it's refreshing to see a traffic warden who's more than just a wanker.

She's taking 'Fuck the police' too literally!

THE HEADLINE THAT WRITES ITSELF!

The *Sunday Sport* was once famous for publishing bullshit stories about WW2 planes found on the moon but, for once, this particularly incredible headline is all true: Gordon Ramsay Sex Dwarf Found Dead In Badger Sett. It's almost like a team of headline writers got together to craft the most perfect *Sunday Sport* headline ever (the *Daily Mail* equivalent would be 'Labour voting immigrant homosexuals cause cancer in Queen'). We're sorry that 35-year-old dwarf, porn star and diminutive Gordon Ramsay lookalike Percy Foster has passed, especially having been chewed up by greedy badgers, but his death was not in vain.

FOSTER'S CHILDREN!

As bright ideas go, this was a 5w environmentally friendly bulb of one. Eugene Foster, of San Tan Valley, Arizona, found a naked photo of his girlfriend's daughter on her mobile phone (we're not sure why he was even looking at her phone) and, to 'teach her a lesson', forwarded it to 40 of her mobile contacts. The real downside? The girl is most definitely underage, and Foster just broke some federal child pornography laws. The school board were forced to contact parents to get them to remove the offending photo from their children's phones and Foster is in custody. Genius.
